WHY AUUMSOLUTIONS.CA ?

We offer unrivaled support

We use the latest and best technology to get you the people you need.

We're quick

We understand that time is of the essence in recruitment, and we're committed to delivering fast, reliable results without compromising on quality.

We're cost-effective

We deliver the best service with very competitive fees.

We're ethical

We're committed to maintaining sound business practices at all times.

We have guaranteed safeguards

These include a no-placement, no-fee policy, 30 days guarantee of the candidate.

We interview and screen candidates.

Our consultants are all trained in interview and screening techniques, so can thoroughly screen CV and candidates ahead of interviews - saving you Time and Money.

Reflex Approach

Permanent Recruitment

Our services reduce recruitment times for clients, while still providing a broad range of applicants as possible.

Contract Recruitment

We can provide skilled contractors, interim management or specialist technical experts to meet project deadlines at very short notice.

We can find the right blend of skills, both in technical and personal ability, in a prompt and cost-effective manner.

Our consultants use a broad network of recruitment resources, tools and skills, including the widest-ranging databases, extensive contacts and agile social media techniques to match the best people with the right jobs and effectively coordinate the whole recruitment process.

Support Services

We offer additional assistance, including facilities management, service level agreements, resource management, technical and psychometric testing, remuneration consultancy, and a comprehensive outplacement programme.

Diversity

- We at AUUM Solutions foster diverse workforce candidates for every client.
- We welcome gender and age diversity with different educational backgrounds.
- We provide candidates diversified with innovative ideas, problem-solving approaches, and creative thinking.
- We are committed to hiring from diverse ethnic groups with equal values and opportunities for our clients.
- We ensure our every candidate has a sense of belonging in the workplace and they meet the client requirements .

Equity

- Empowering candidates to be their best at the workplace.
- We try to boost satisfaction and candidates' engagement through significant communication and identifying their unique traits.
- We provide fair equity for all candidates based on the client's needs.
- To avoid a homogeneous environment we deliver an equitable work environment for better growth and performance.
- We outreach candidates from different demographical areas and communities to avoid any discrimination .
- We maintain transparency with candidates and clients to imbibe trust and long term association.

Belonging

- We focus on positive and cordial relationships with candidates.
- We try to cater to candidates who can bring meaningful change on their own to any organization.
- We make sure to emphasize acceptance, and acknowledgment to value the efforts and experience of candidates as per the client's requirements.
- As a team, we help our clients to find highly qualified, experienced, reliable, and dedicated candidates.
- Our hiring process focuses on diverse talent with an equitable opportunity which always helps in candidates' engagement and decision making.
